

I've listened to K-LOVE on 94.9 for quite a while now and I was disturbed when I received notification that this station may possibly be bumped off due to a LPFM station. Please make K-LOVE a priority for staying on the air. I know I'm speaking for myself, but

I hope I speak for numerous other listeners in this area who hope to be able to continue to listen to this radio station. There are no other stations which play the same type of music and by forcing K-LOVE off the air is to take away the Christian music we're able to hear. Thank you for your consideration in this matter.
